STREET HOCKEY DE RUE

General Rules

Game definition: A game is composed of two 10-minute periods. The last minute of the game is in stop time. Each team is allowed one 30-second timeout per game.

Team roster: A team shall be composed of a minimum of four players and a maximum of seven players. Games are played three-on-three plus a goalie. Each team must choose a captain to represent their team who is responsible for communicating with the referee and/or organizers.

Team jerseys and names: Each team must have a name and each player must wear a jersey of the same colour. We have the right to refuse the name chosen. If two teams are wearing the same colour, the organizer will provide jerseys.

Equipment:

All players must wear sneakers that fully cover the toes.

Sticks: All sticks are allowed, no matter the type or model (plastic, graphite, wood, aluminum, etc.). The organizer and/or officials reserve the right to judge whether sticks are safe before each game.

All players must wear a protective helmet with a full-face shield and gloves.

It is strongly recommended that all players wear leg guards, jockstraps and mouth guards.

Game Rules and Regulations

Delaying the game

A team that delays the game loses the ball. The referee is responsible for deciding where play resumes. No obstacle can delay the game except if a player on the bench touches the ball intentionally and directs it toward the play. The opposing team has three seconds to resume play. Players must be at a distance of two metres for resumption of play. After three seconds, the game restarts automatically.

- Players cannot touch the ball with their stick if their stick is higher than the horizontal bar of the net;
- Players cannot close their hand over the ball;
- Hand pass is not allowed.

Penalties

Aggressive actions or attitudes either before, during or after games will not be tolerated. Players or teams that disregard the rules will be ejected from the tournament.

When a penalty is called, a penalty shot for the opposing team is given, followed by a faceoff at the centre. After a goal, the faceoff is at the center. If a penalty is given to each team at the same time, no players are withdrawn from play and no shots on goal are given.
